#### **ABOUT US:**

Güç Textile is a jean manufacturer and supplier based in Istanbul. It was set up in 1994 and have been consistently growing ever since.

The activity is mainly on textiles denim jeans and also we serve an extensive product portfolio, such as trousers, shirts, coats jackets

As a company with our solidified place in the sector by our creative fashion line, product diversity, quality, production standards and we are moving to the future.

We believe in ethical values and our company operates according to all code of conduct policies.

We have two stitching lines in our house: one denim line and one none-denim line. Beside nice subcontracting facilities for over capacity needs is ready for your orders.

Our company policy is to give reliable prices, with a proactive service, and Design input, but as well as with high flexibility.

**Best Regards**
